Application Process:

- A completed New Member Application packet must be submitted to PetCoral via email, mail or in person.
- Applications and vaccine records take 24 hours to process. Boarding reservations need to be made with a minimum 24 hour notice.
- All dogs must attend and pass a minimum 4 hour temperament evaluation to participate in daycare. The temperament evaluation is \$15 per dog. Unaltered boarding dogs and dogs not going to daycare do not need a temperament evaluation, but may be required to pass a boarding evaluation.
- All vaccination and alteration records must be kept up-to-date at all times.

Reservations: Reservations are *recommended* for daycare, and *required* for all overnight boarding and waterpark guests. There is a 24 hour cancellation notice requirement for all appointments. Failure to notify us will result in a \$10 “no show” fee.

Age: Puppies are accepted at any age after their second set of shots. A negative fecal is required for all dogs regardless of age. The Water Park is not recommended for dogs under 5 months.

Shots/Exams: Updated vaccines are the responsibility of each dog owner. All dogs must have: Rabies, Leptospirosis, Distemper, Canine Influenza H3N8 or H3N2; Bordatella (a.k.a. kennel cough) must be up-to-date and renewed every six months. The Corona vaccine is *recommended* for all daycare dogs. It is recommended that all vaccines be administered no later than 14 days prior to admission to help ensure that your pet has developed the proper immunity. Written proof of vaccinations is required, and the owner's responsibility to provide. Negative fecal and heartworm tests are required for ALL dogs, within the last 12 months.

Spay/Neuter: All female and male dogs must be spayed or neutered to be social. Unaltered dogs over the age of 6 months will be considered non-social, and any unaltered dog that exhibits or causes negative behaviors may be suspended from all services until sterilized. No females in heat will be allowed to attend.

General Health: All dogs must be free of communicable diseases for at least 3 months prior to enrollment. Upon enrollment and re-admission all dogs must be free from any condition that could potentially jeopardize other pets. Documented proof of the dog being parasite free is required prior to being able to schedule daycare or boarding services. Please see our health form for additional information.

Behavior: Dogs in daycare, boarding, or the water park must not exhibit any aggressive behavior for any reason. Any dog exhibiting undesirable behavior will be safely isolated from the rest of the daycare and will not be allowed re-admission until such behavior has been modified. Private training may be suggested or required. We reserve the right to exclude dogs from any part of our facility that pose a potential risk to the safety of our dogs/staff.

Dogs that are potentially aggressive, in any way, must undergo a "Boarding Evaluation" prior to confirming their reservation. The boarding evaluation is \$15 per dog.

Scheduling Form Pet Coral Resort

New Member Registration Form

Before your Pet Comes to Daycare: All dogs are required to have a temperament evaluation. Please read the Application Process on the previous page for information related to the temperament evaluation.

What to expect if applying for Daycare: Once you have submitted your dog's application, we will set up an evaluation day. If your dog is accepted into our program, we will confirm your dog's daycare schedule with you and put your dog on the schedule. We like to evaluate our daycare scheduling options at the end of each month.

Our **Daycare Service** hours are 7:00am to 6:00pm Monday through Friday and Saturday from 8:00am to 5:00pm. All dogs must be picked up by the times listed above or additional daycare rates apply. After 6:00pm, a minimum rate of \$10 per 15 minutes or a fraction thereof will be added. If a dog is not picked up by 6:00pm, an additional overnight charge of standard boarding rate plus food is added to the late fees. You should bring your dog's food for his/her stay if they eat during the day. We have premium food available in our retail shop for purchase should you need more or run out. If your dog takes medication, please mark it clearly and write out a time table of when they should receive medication. All medication **MUST** be in the original container and a \$4 administration fee applies.

What to expect if applying for the Water Park: PetCoral Resort is accepting applications for our secure Water Park. Dogs must first be evaluated in our daycare before going to the park, but we prefer that your dog be evaluated in both our daycare and in our water park settings.

What to expect if applying for Boarding: PetCoral Resort offers Boarding with access to Daycare to a pre-screened group of canines. We highly recommend bringing your own food for your pet to help prevent diarrhea when your dog changes food. PetCoral feeds Hill's Science Diet Sensitive Stomach for dogs without food and there is a daily \$4 charge for feeding our food. Your dog is typically stressed if they are not accustomed to being away for extended periods. As a result of this stress dogs can develop intestinal issues that usually manifest as diarrhea and loose stools. If this occurs our Veterinarian can treat the dog at a minimal cost to the owner. All **Boarding Dogs** must be checked out by noon. If dog is not checked out within 25 hours of the scheduled conclusion of boarding, additional boarding and day care rates apply.

General Rates: All 5 day daycare packages need to be used within 30 days from date of purchase. Fifteen day packages expire 60 days after purchase. There are no refunds on unused visits or expired cards. All daycare packages are pre-paid. Half day packages are available in increments of 10 and 20 half days. There is a \$45 fee for returned checks. There is a \$50 deposit on boarding during holidays that is refundable if cancelled a minimum of 7 days prior to the stay.

Pick-up and Drop-off: Daycare is open Monday through Friday 7:00am to 6:00pm and Saturday 8:00am to 5:00pm. Drop-off for Boarding is anytime between 7:00am and 4:00pm Monday through

Saturday. Pick-up for Daycare must be done before 6:00pm Monday through Friday and before 5:00pm on Saturday. There is NO pick-up or drop off on Sundays. We are here for the pets, but not open to the public.

Boarding dogs/cats must be picked up by 12:00 noon the day of pick-up or the client will be charged a \$15 daycare charge for the day for the care of the dog.

Daycare | Boarding | Veterinary Clinic | Water Park | Grooming

At **PetCoral Resort and Veterinary**, your scheduled veterinary appointment time is reserved just for you and your pet. We try not to overbook appointment times in order to provide excellent veterinary care and to be sure we have sufficient time to adequately examine your pet and to discuss your pet's condition and treatment options in detail with you.

We will make every effort to accommodate your scheduling needs. In return, we ask that you help us by keeping your scheduled appointments, arriving on time and notifying us a minimum of twenty-four (24) hours in advance if you are unable to do so. When we receive advanced notice of cancellation, we are able to avoid lost revenue and misspent employee time, which keeps our overhead down and our fees reasonable. More importantly, we are able to accommodate other patients needing care. Failure to comply with this policy will necessitate the assessment of the following fees:

- **First missed appointment:** Our staff will call to ensure you and your pet are all right and to reschedule your appointment.
- **Second missed appointment:** You will receive a letter stating this is your second missed appointment and that you have been charged a missed appointment fee (\$45.00)
- **Third missed appointment:** A letter will be mailed informing you that you have now missed three appointments and you have been charged another missed appointment fee (\$45.00)
- **Further missed appointments:** Further missed appointments will require immediate payment of our Standard Fee for Doctor's Visit (\$45). **This fee must be paid prior to scheduling any future appointments.**

Please sign below that you have read and understand this policy.
